| <b>Short technical description:</b> | ekey Modul for Gira System 106 AL, color aluminum  |
| <b>Long technical description:</b>  | The ekey Modul for Gira System 106 AL is a build-in module which is aluminum in color and covers the ekey finger scanner outlet-mounted for integration in the Gira System 106 door station. The ekey Modul is intended for use in both domestic and business applications. The ekey Modul is designed for fixed mounting on the ekey finger scanner outlet-mounted for integration in the Gira System 106 door station, and for use in unprotected outdoor areas. As a component of the ekey finger scanner outlet-mounted for integration, this ekey Modul can only be used in conjunction with this particular product. |
